Hello Ben,

I am writing to outline the actions we have taken as an organisation, following your email last night, time 12.55am titled 'Duncan'.

This morning, we have received emails, and phone calls from your programmed artists who are very concerned about whether their Brighton Fringe event is cancelled.

We have therefore taken the decision to relieve you of your Venue Manager position for upcoming Half a Camel Brighton Fringe events and cover responsibilities for communicating and supporting your programmed artists for the remainder of the Fringe.

We have replaced each of your Venues on Eventotron Main Contact with [takepart@brightonfringe.org](mailto:takepart@brightonfringe.org).

We have emailed your artists the following email to assure them we are supporting them in their concerns;

***Dear Artist,***

***Following the email you received from Ben Carter last night, The Brighton Fringe team is actively working to ensure your shows continue as planned.***

***Currently, as we can see from our side, your show has not been cancelled on Eventotron and sales remain live on our website.***

***We are contacting all Half a Camel venues this morning to make them aware of Ben's email and confirm your events are still taking place. We are also recommending that all communications are to now go through us.***

***We would like to offer the same to you, so please get in touch with Take Part for all your venue queries and we will handle these as best we can.***

***We want your Fringe experience to be successful, so we will do our best to accommodate your event. We plan to request further support to offer a Fringe representative to meet you at your venue before your event, if you require this.***  
***Best wishes,***

***Brighton Fringe Team***

We are currently calling all Half a Camel Venues to ascertain whether shows can still continue and have not been cancelled.

We hope that this additional support and covering of some of your duties will help you in taking the time and finding the help you need in this time. We are a small but capable team who are confident in providing the best support we can for your artists. We will do our very best to ensure their events are a success and the strong reputation of Half a Camel remains that way.

We hope you understand our decision to support you and Fringe artists in this way.

If you have any questions, please direct them to this email address:

Sincerely,

**Amy Keogh**
