The Seven Dials Medical Centre (General Practice) - Miss Mimi Bates (Receptionist Access Role)

- Note - Referral to Social Prescribing - Brighton North & Central PCN; hi both, ; ; i've spoken to this patient who is an ongoing victim of stalking, police involved and has support for this. organising brighton fringe, is very busy and working long hours, not coping well with this. ; he is in a lot of debt currently, around 10k. a lot of this is as a result of the domestic violence/stalking from his ex, mentioned being falsely reported to HMRC as a drug dealer and also court costs being involved - would you be happy to contact him to discuss any potential support around this? i've managed expectations since i don't know if there's anything specific for victims of crime but anything that may be of help

would be great. he's struggling to reach out to services on his own due to being overwhelmed + ADHD ; ; thanks - elif; 19 March 2025

actually in Brighton. , , appreciates may sound paranoid, but has a lot of evidence to prove his view. I did have my concerns re paranoia as he spoke, but without knowing the details of the case / what the police are doing, based on what he said it is plausible that they have mishandled the

I've now been assigned a new inspector, through this whole time I have not been safeguarded by anyone, you almost had a death on your hands, last time it was because I couldn't do the Fringe and my abuser was faking her location as I knew she was back to ruin the Fringe. Now she is, and you sent me a fucking spy. DUNCAN OR BRIGHTON FRINGE
Half A Camel was never a threat to The Brighton Fringe, you were now we get rid of you like you wanted me to. People like me, I care. I stand up to people you.
"Using a charity to allow abuse" Coercing a vulnerable person that has put everything into what you have profited from.
You just had to treat me like a human being.
The year of manipulation and destroying my life via coercion by making me think Half A Camel won't go ahead, you are worse than her. She doesn't know I committed suicide, you did. She would have stopped, you didn't
Jails for people like you xx
