Hi Rebekah,

Thanks for getting in touch.

When did you let us know that the photos had been updated? We need to be told as the website is done manually by our Box Office team. I saw we had an email from you yesterday which I passed on to the Box Office team today - I think I including you in that email?

As such, the team will strive to get the website updated over the next couple of days.

Thanks,

Laura

Hello

I'm exhausted today

I'll likely have more photos tomorrow (and videos to upload) and can send the photos then, if it's not too late... if it is, that's fine.

I need to rest and not burn out

I started fiddling with photos last night but I wasn't doing a great job so I decided to quit and start again when I'm feeling refreshed

Ohhh and I was wondering about posters for your venues? The side of the pub etc
Should I send some A3's?
